

## PRIVATE VEHICLE & DRIVER REQUIREMENTS

Chico Country Day School acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not happen without private transportation. To ensure that private transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

1. The driver will be 21 years of age or over and possess a valid California Driver's License, a copy of which will be on file in the school office.
2. The driver will be in good physical condition, free of any medications that may affect operation of the vehicle.
3. The vehicle will be in excellent condition and repair with a seat belt for each person being transported.
4. The vehicle will carry only the number of passengers for which it is designed. In no case will more than nine students and a driver be transported in a van or station wagon.
5. The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his host owner/driver.
6. The driver will have an insurance policy that will act as the primary carrier for any liability incurred with the following results and amounts of coverage. A copy of the insurance policy page showing the following amounts of coverage will be on file in the school office:  
Bodily Injury Liability of not less than \$100,000 each person with \$300,000 each accident; Property Damage Liability of not less than \$50,000 each accident  
**OR**  
Combined single limit for Property Damage and Bodily Injury of \$300,000 for each accident
7. The driver will have tested negative for tuberculosis within the past 4 years and will have a certificate to that effect from a local doctor or public health agency on file in the school office.
8. The driver will be fingerprinted and cleared through the Department of Justice.
9. The driver will attend the CCDS Study Trip Procedures presentation by administration and sign the acknowledgement form.
- 10. This completed form, signed by the Principal or Designee, and all required documentation will be on file in the school office 48 hours before the field trip.**
