#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chico Country Day Charter School as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO FINANCIAL STATEMENTS

#### FOR THE FISCAL YEAR ENDED JUNE 30, 2016

#### NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

#### A. Nature of Activities

The Chico Country Day Charter School (Charter School), a California non-profit public benefit corporation, was formed to manage, operate, guide, direct and promote the Chico Country Day Charter School, a California Public School. The charter was originally approved by Chico Unified School District in 1996 and renewed in July 2004, and was granted tax exempt status by the State of California on June 4, 2004. The Charter School is funded principally through State of California public education monies received through the California Department of Education and Chico Unified School District (the District). The Charter School is governed by a seven (7) member Governing Board.

The District renewed the charter through June 30, 2020. The charter may be revoked by the District for material violations of the charter, failure to meet student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or for any violation of any provision of the law.

#### B. Basis of Presentation

The Charter School's financial statements presentation follows the requirements of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) No. 958-205, which provides guidance for the classification of net assets. The amounts for each of the three classes of net assets are based on the existence or absence of donor-imposed restrictions described as follows: unrestricted, temporarily restricted, and permanently restricted. The Charter School had no temporarily or permanently restricted net assets at June 30, 2016. In addition, the Charter School is required to present a Statement of Cash Flows.

#### C. Basis of Accounting

The financial statements were prepared in accordance with generally accepted accounting principles as applicable to not-for-profit organizations. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. The Charter School uses the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recognized in the accounting period in which the liability is incurred.

#### D. Revenue Recognition

Contributions and grants are recognized when the donor/grantor makes an unconditional promise to give to the Charter School or when received, whichever occurs first. Donor-restricted contributions and grants are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Government grants are recognized as revenue in accordance with the terms of the applicable grant agreement, which is generally upon the incurrence of expenses related to the required services. Per-pupil funding from the California Department of Education is recognized as revenue by the Charter School based on the average daily attendance (ADA) of students.

#### NOTES TO FINANCIAL STATEMENTS

#### FOR THE FISCAL YEAR ENDED JUNE 30, 2016

#### NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### E. Cash, Cash Equivalents and Concentration of Credit Risk

The Charter School maintain cash in commercial bank accounts with various financial institutions, that are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC) or collateralized. For financial statement purposes, the Charter School considers investments with a maturity at purchase of three months or less to be cash equivalents.

#### F. Accounts Receivable

The Charter School considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

#### G. Prepaid Expenses

Prepaid expenses reflect payments made in the current fiscal year for expenses related to future periods.

#### H. Property and Equipment

All acquisitions or improvements of property and equipment and all expenditures for repairs, maintenance, renewals, and betterments exceeding \$5,000 that materially prolong the useful lives of assets are capitalized. All capital assets are capitalized at cost, or in the case of donated equipment, fair market value on the date of receipt, and depreciated using the straight-line method over their estimated useful lives of 3 to 50 years.

#### I. Deferred Revenue

Cash received for federal and state special projects and programs is recognized as revenue to the extent that qualified expenses have been incurred. Deferred revenue is recorded to the extent that cash received on specific projects and programs exceeds qualified expenses.

#### J. Donated Materials, Services, and Facilities

In-kind contributions are recorded at their estimated fair values at the date of donation. Donated services are recorded when they create or enhance non-financial assets or require a specialized skill that the Charter School would otherwise need to purchase.

#### K. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Chico Country Day Charter School Chico, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Chico Country Day Charter School, a California non-profit public benefit corporation, which comprise the statement of financial position as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 7, 2016.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Chico Country Day Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Chico Country Day Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Chico Country Day Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### UNDUPLICATED LOCAL CONTROL FUNDING FORMULA PUPIL COUNTS

Criteria:

Education Code Section 42238.02(b)(2) requires a school district or charter school to annually submit its enrolled free and reduced-price meal eligibility, foster youth, and English learner pupil-level records for enrolled pupils to the Superintendent using the California Longitudinal Pupil Achievement Data System (CALPADS). Education Code Section 42238.02(b)(3)(B) states that the Controller shall include instructions necessary to enforce paragraph (2) in the audit required by Education Code Section 14502.1 and that the instructions shall include, but are not necessarily limited to, procedures for determining if the English learner, foster youth, and free or reduced-price meal eligible pupil counts are consistent with the school district's or charter school's English learner, foster youth, and free or reduced-price meal eligible pupil records.

Condition:

The Charter School reported 3 students on the CALPADS "1.18 - FRPM/English Learner/Foster Youth - Student List" report, indicated as a "No" under the "Direct Certification" column, that were only identified as English learners (EL) under the "ELAS Designation" column, in error. The students were reclassified fluent English proficient "RFEP" during the 2014-15 fiscal year.

**Questioned Costs:** 

Estimated at \$1,618 based on the FCMAT created LCFF calculation worksheet.

				Total
		Unduplicated		Unduplicated
		Eligible Free/	EL	FRPM/EL
	Total	Reduced Meal	Funding	Eligible
Chico Country Day Charter	Enrollment	Counts	Eligible	Count
Certified Pupil Counts	559	114	7	118
Audit Adjustments	0	0	-3	-3
Audited Pupil Counts	559	114	4	115

Context:

The condition was noted as of the Census Day for fiscal year 2015-16. We reviewed all non-direct certified students only identified as English learners (EL) under the "ELAS Designation" column.

Effect:

The Charter School overstated the certified unduplicated local control funding formula pupil counts reported to the California Department of Education (CDE).

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2016

#### SECTION III - STATE AWARD FINDINGS AND QUESTIONED COSTS (CONCLUDED)

#### UNDUPLICATED LOCAL CONTROL FUNDING FORMULA PUPIL COUNTS (CONCLUDED)

<u>Cause</u>: The Charter School did not review the EL designations of students reported

on the CALPADS "1.18 - FRPM/English Learner/Foster Youth - Student

List" report, to ensure accuracy and completeness.

Recommendation: The Charter School should establish procedures to ensure that pupil

counts reported on the CALPADS "1.18 - FRPM/English Learner/Foster Youth - Student List" report are supported by appropriate documentation.

<u>Charter Response</u>: Chico Country Day Charter School has established procedures that ensure

the counts reported on the CALPADS "1.18 – FRPM/English Learner/Foster Youth – Student List" report are supported by the appropriate documentation through the CELDT and other internal measurements for designation of students as English Language Learners. Staff has also been trained through SIS professional development opportunities to ensure that the recording of data within the SIS is correct.
