

WHAT TO EXPECT

PARENT COMMUNICATION GUIDE

Including Quarantine Measures

Attention Parents/Guardians -

Chico Country Day School (CCDS) remains committed to ensuring continued communication throughout the COVID-19 pandemic. As we return to in-person instruction, individual students, families or classrooms may be required to quarantine at home as a precaution to minimize the potential spread of COVID-19. Families should be aware of the following information.

COVID-19 Notification & Communication

Please note, CCDS follows the safety notification and protocols developed by Butte County Public Health (BCPH).

- Students will be sent to the office if they exhibit COVID-19 symptoms. Please keep sick children home.
- The school nurse or office staff may communicate with families who have a symptomatic student at school.
- Parents/Guardians should consider a plan in the event your child is required to go home due to symptoms.

- Teachers will be maintaining a consistent seating chart to assist with contact tracing should it be necessary.
- CCDS will follow the BCPH recommendations for quarantine instructions or classroom/campus closures.

- Families will be notified by the school **only** if there is a **confirmed COVID-19 in your child's classroom.**

- Students in "close contact" (within six-feet of a confirmed COVID-19 person for 15 minutes) will be contacted and may be required to quarantine.

- Dashboard information regarding confirmed COVID-19 cases for the state and county can be found on our website
- CCDS will only report positive COVID-19 cases that have been **confirmed with BCPH**

We are all committed to keeping our campus as safe as possible for students, staff and our community. Please reach out to our dedicated COVID-19 email address at covid@chicocountryday.org for questions or concerns. Thank you for keeping our campus healthy.
