

CCDS Interscholastic Sports Eligibility

Academic Eligibility

- Students must maintain a 2.0 GPA and not have any failing marks
- Grade checks will commence when a sport begins. Grade checks will thereafter be every two weeks.
- If a student falls below the minimum requirements on a grade check, then he/she will be on probationary status for the following two weeks or until they prove their eligibility
- Probationary status means that a student is still on the team and must attend all practices, but is ineligible to participate in games or meets until the student is academically eligible.
- After a two week probation, if a student is still ineligible, it is the coach's discretion as to how long the athlete will remain on the team.

Behavioral Eligibility

- Students must show appropriate citizenship in the classroom.
- Along with the grade check will be a teacher comment section regarding behavior.
- It will be the coach's discretion how classroom behavior affects playtime.

Attendance Eligibility

- If a student is absent from school, he/she is not eligible to play in that day's game or meet
- A student who is absent from school for more than three periods of a game day is not eligible to play.
- A student who is unable or unwilling to participate in PE may not participate in that day's practice, game, or meet.
