

# Sign up for Band!

We are SO happy to be able to offer band classes again at CCDS!! After having had so much time away, we recognize that most of our experienced instrumentalists have now moved on to high school, so we are going to focus on building up the program with instrument instruction, and providing small ensemble work for students who already have experience.

Students 5th grade and up are welcome to sign up for band!

There is a suggested monthly donation for band, and we really appreciate everyone's contributions, but participation in band is *in no way* contingent on donations. Every student is welcome in the band program!

Feel free to contact Teddy or Ruth Greenfield for more information:

Use the attached forms to sign up! You can make a copy and email it to Teddy or you can fill out a hard copy and send it with your student or drop it off in either office. Looking forward to a really great year of music!!

**Beginning Band: no experience required ~ learn a new instrument!**

Come to the music room after school on Tuesday, August 31 OR Thursday, September 2 to look at, listen to and choose your instrument! After everyone has chosen, rehearsals will be on Tuesdays OR Thursdays after school, depending on instrument groups. (E.g.: woodwinds will meet together, brass will meet together, percussion will meet together. Schedule TBD after instrument choices have been made, but they *will* be on Tuesdays or Thursdays.)

**\*CCDS has a limited number of instruments for students to use; instruments are also available to rent at The Music Connection in Chico**

*Suggested donation: \$30 per month. Donations can be made in either office: memo: band program*
