

## Sign up for Choir at CCDS!!

We're back! Thank goodness we can start singing again; there's just nothing like the music we can make when we are harmonizing together... not to mention the friendships we build in choir, and the beautiful art of music that brings us joy and heals our hearts!!

We will be singing outdoors for the foreseeable future, but we will always meet at the music room to get started.

Students 2nd grade and up should sign up for Chorus (or beginning choir) and students 5th grade and up should sign up for Concert Choir.

There is a suggested monthly donation for both choirs, and we really appreciate everyone's contributions, but participation in choir is *in no way* contingent on donations. Every student is welcome in the choir program!

Feel free to contact Ruth Greenfield for more information:  
[rgreenfield@chicocountryday.org](mailto:rgreenfield@chicocountryday.org)

Use the attached forms to sign up! You can make a copy and email it to Ruth or you can fill out a hard copy and send it with your student or drop it off in either office. Looking forward to a really great year of singing!!
